

Help Community to combat Covid-19

As part of our Social Responsibility joining hand in hand with the Government's efforts in the campaign titled, "Public Health Response to Covid-19, Appropriate Behaviour" and following the guidelines given by the CISCE Board, Sacred Heart School, Chianki has geared up to play its role to disseminate the messages, creating awareness among the teachers, students, parents and society at large.

The Rationale:

1. To combat Covid-19 amidst the unlocking of the Economy.
2. The upcoming Festive Season.

The shift in the message communication:-

1. During lockdown – "Stay Home, Stay Safe".
2. During Unlock – "AtmaNirbhar Bharat".
3. Now – "Unlock with Precaution".

The message is to focus on promoting the right way of:-

1. Wearing Masks.
2. Washing of Hands
3. Following Social Distancing.

Think Different

in this festive time

Nothing in life is to be feared ,

Unlock With Precautions

It is only to be understood .Now is the time to understand more, so that we may fear less, care more.

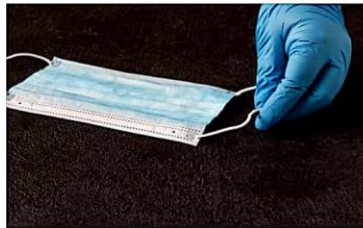

We have a chance to do something extraordinary. As we head out of this pandemic ,
we pledge to care and to protect ;others and ourselves.

Because:

A mask protect other people if we cough or sneeze .

It will also protect us from infection.

Let us wear a mask.

Our life is in our hands, keep calm and let us wash our hands.

Protect your health . Let us use hand sanitizer.

Compel corona to quell.

We shall have a series of activities promoting awareness far and wide.
